IRENE ST. JOHN

Dear Seniors:

In these few short years, our work together has drawn us closer in understanding, forging the links of many pleasant memories and lasting friendships. We can look back upon our achievements with a sense of pride. So may each of you be able to survey his work of the future with keen satisfaction—the reward of tasks well done.

Sincerely yours,

Irene St. John

Our Best Friends and Severest Critics

I shall never forget the two people who not only made this, my scrapbook, a reality; but also made the four years I spent here the most wonderful time of my life. They are the advisors of the class of '50—Miss Irene St. John and Mr. Robert Habersaat. Without their continuous assistance it might have been an impossibility for our class to achieve the goals we have reached.

They shared the class's hopes and fears and joys and tears. When we had a problem, they helped solve it and were constantly striving to show us right from wrong. They helped turn our mistakes into our successes and will forever remain dear to our hearts.

ROBERT HABERSAAT

Dear Seniors:

At this time I wish to thank each of you for your splendid co-operation during the past four years and to wish each of you the best of luck and fortune in your future undertakings. I'm sure that our experiences and associations during our four years together will prove profitable to each of us and make our walk down the "path of life" as sunny and bright as possible.

Sincerely,

Robert W. Habersaat

In Memoriam

During the summer vacation of 1949 death came suddenly to two members of the Senior Class of Southside High School. On August 3, 1949, Richard Parmer and Joseph H. O'Brien were killed in a tragic automobile accident.

Dick came to Southside High after graduating from the Pennsylvania Avenue School. He served on many committees and was active in home room sports.

Joe had attended the Parley Coburn School and been graduated from there before coming to Southside High School, where he was on the Track Team and various committees of our class.

Both of the boys were very popular in and out of school and have been greatly missed.

The Class of 1950 dedicates this page to the memory of Joe and Dick.

Remember

Remember our first day at school? What a time we had finding our classrooms! Everyone thought we were the smallest, most stupid-looking bunch of Freshmen ever. We showed 'em, though, didn't we? First we got busy looking for some advisors. All of the teachers were occupied at the time, but Bob Fisher was willing to give up his spare time to act as a mentor. We began by electing our class officers: Jerry Rothwell, president; Bill Peterson, vice-president; Lucy Schiller, secretary; and Glenn Stuart, treasurer. The next element really failed.

the Day

With the new semester comes the biggest event of our Junior year—the Junior Play. "Swing Fever" starring Bill Harnack, Bruce Bennett, Anne Callahan, and Angie Carver.

Our Senior year started off with a bang with the election of John Aram as president. Everyone agreed that Bill Harnack and Barbara Tabbe as co-presidents of the E.S.H.C.

While some were busy leading their classes, others led dances—many did both. Nancy Williams, one of our most enthusiastic class workers, student, and Student Council representative, won the Girls' State award.

Well, it's all over now! We're finished with high school, most of us. It has been four years filled with chaos, drama, laughter, tears, sorrows, and the sense of a lot of people love.

Friendly, Witty That's Our John

John Aram, our Junior year president, is a friendly, witty, and popular young man.

After the Junior High school, Al and Betty were in a happy marriage. They were both in the Junior High school.

What a team! What a coach! What a season! Yes, the 1949 football season is destined to go down in the sports history of Southside High School as one of the most successful ever.

The high spot of the season was the defeat of the Academy, which entitled us to the much coveted "Charles Ruddick Memorial Trophy" for another year. In addition to the trophy, the Erie Railroad presented Southside with a huge engine bell for our victory over the Academy and in memory of the railroad's Centennial anniversary. We are to hold it in our possession until, if possible, the Academy manages to top us. The trophy and the engine bell will remind us of that memorable game, but no student who attended the game could ever forget how our team crept gradually up from a rather slow start and picked up such a fighting spirit along the way that the result of the game was an absolute uproar.

To go back to the beginning of the season, our first two games turned out to be startling victories which gave us blazing headlines and informed all future opponents that they would be up against a really tough team.

Much of the credit for our success goes to the excellent passing combination made up of Rolly DeVore and Tony Weaver.

As far as our coach, "Moon" Mullins is concerned, he is tops. There's no one in Southside who doesn't know and like "Moon" and the success of our team would have been impossible without such a capable coach.

To wind up the season, the Cheerleaders Club presented the team and coach with a banquet held at the Mark Twain Hotel.

COACH

Southside High School finished its 1949-1950 basketball campaign with a fairly impressive record of six wins against twelve defeats. Although its record was not too outstanding, this year's team compiled the most victories of any Southside team since the initiation of this sport at our school.

Captained by Jake Fredericks, the team got off to a bad start by losing the first few games, all by considerable margins. After its first few showings, it appeared that Southside would be dwelling in the cellar of the Southern Tier Conference at the end of the season. The team bounced back, however, and before the close of the season it became victorious six times.

Probably Southside's proudest achievement came in the second game of the annual cross-town contest against the Academy. After being topped by our rivals in the first game by a score of 48-38, Southside came back to upset the highly regarded Academy team in the second game, 40-36. When these two teams met for the third and last time, the Academy managed to squeeze through in the closing seconds, winning by a margin of 36-32.

Southside will be hard hit by graduation, for ten of the twelve varsity members are either seniors or post graduates.

Southside High School's baseball team, under Coach Robert Habersaat, was rated one of the top four teams in the Southern Tier Conference. Southside High had the record at the end of the season of 9 wins and 4 losses, but could win only 1 out of 3 games played with its cross-town rival Elmira Free Academy. During the season the baseball team racked up 99 runs to 70 scored upon them.

Tony Weaver, Southside's ace right-hand pitcher, set a record for himself in the Southern Tier Conference. Tony pitched a no-hit-no-run game against Binghamton North with a score of 4 to 0. Tony Weaver was the first man ever to pitch a no-hit game in Southern Tier's history of baseball. This feat will set him by the side of other great players of high school baseball.

Coach Robert Habersaat was chosen from many mentors to coach the State East-West high school game at Cooperstown, New York. Robert Beckwith, Southside High School left fielder, represented Southside as a player at this big game. Both Bobs did very well in this game and Southside High School was proud of them.

Southside hopes to have a championship team this next year because of the many fellows who love the game of baseball, and who will be out there trying to win for their Alma Mater.

J. V. Football

The Junior Varsity was ably coached by Mr. Fred Simonet and Mr. Harold Schwalb.

Bill Steed sparked the J. V. team from his position as quarterback. Some of the players who showed outstanding promise according to the coach were Albert George, Tom Richardson, Don Wheeler, and Jim Hewitt as backs; Robert Gerrard and Pete Perfetti as ends; Jim Sullivan and Jim Ostrander, tackles; Stu Easton, Durland Vosburgh, Glen Bowell and Dick Ring as guards; Bob Ohstrom and Bob Hollenbeck outstanding at center.

Fourteen Freshmen were carried on the squad, making the varsity football future a good one. Five good Frosh prospective team men were Bob McCarrick, Steve Costello, Jack Connelly, Paul O'Leary and Ed McDonald. Their season proved to be one of outstanding playing.

COACH

The Junior Hornets topped off the season with a second victory over Bingo Central, 30-28. Their first game with Central ended with Southside leading 39-38. Their four other wins were over Vestal, 40-29 and 39-26; Horseheads 57-39; and Ithaca, 20-27.

A lot of the praise should go to "Chief" Schwalb, who, although restricted to the bench, played the game as hard as any of his boys.

The boys all worked hard and their final 10 losses stacked up against 6 wins was good for a team with as little experience as they had had and a school which is just starting out on its own in high school sports.

Track

After completing our second season of track, Coach Mullins said, "Considering the fact that the boys had to travel 4 miles to practice every night after school, I think they did exceptionally well."

We started the season at Binghamton with the Section IV relay meet, where we tied with Vestal for second place, beating out seven of the other eight teams participating. Our relay team in the low hurdles—Roland DeVore, Bob Bob Ruggles, Chuck Maston, Bill VanNess—took our one first place in the meet.

The next meet was with Corning. While our team had strength in the distances, CFA took the meet through her power in the dashes and the jumping. Firsts were taken for us in the hurdles, 440, 880, and mile by Bill VanNess, Bob Scott, Jerry Biggs, and Dave Pierson respectively. Also, Dick Dean took a first in the pole vault, and DeVore won the hot-put.

In spite of the fact that VanNess took the hurdles, that Jim Nixon tied for first in the high jump, and that our 880-yard relay team won a first place, we lost to JC, UE, and EFA.

In our next meet with the two Binghamton schools and EFA, Chuck Maston took first place in the 100 and 220, and we took places in all the other races except the 880. However, because of their power in the field events (almost a clean sweep of the places), the Binghamton teams took the meet, leaving us tied with EFA.

We did, however, manage to take EFA in the intra-city track meet. Both teams took places in all of the events except the pole vault, where we took all three. Then, with the 880-yard relay left to go, the score was 50-59—favor of EFA. However, our relay team of Chuck Maston, Bill VanNess, Jerry Lennox, and Lou Janey took the race and also the meet at a score of 54-50.

We went on to the zone meet, where the team placed third out of five. At the sectional meet at Cornell, we came in last out of 10 teams participating. Bill VanNess and Dave Pierson were the only Southside runners to enter the Inter-sectional meet at West Point.

Southside Wrestling Team

The S.H.S. Wrestling Team was a "Wow" this year. Composed of muscle men extraordinary, the team had such men as Co-captains Richard Dean and Gerald Dumais; Stu Hesselson, Glenn Howell, Howard Bowes, and other outstanding grapplers.

The team started the season with a tie and then came back to win three straight meets. They fell to Ithaca by a score of 25 to 11, but won the next four engagements. Vestal came up to take one and so did "the school across the river." The season ended with participation in the sectional meet at Ithaca, at which Southside made a creditable showing. This was a team we should all be proud to call our own.

Girls' Bowling Team

In accordance with the growing national trend toward bowling as a favorite sport, it is also becoming more and more popular at Southside.

The girls' bowling team bowls at the Remington-Rand alleys every Tuesday from 4 to 6. This year, with Miss Cleveland's guidance, the membership has grown, and hopes to continue growing in future years.

Of the most enthusiastic bowlers, the five top girls are Rose Mary Wright, Phyllis Plowman, Clara Marvin, Margaret Coughlin, and Joan Backes, respectively. The girls have named their teams as follows: "Bowler-ettes," with Rose Mary Wright as captain; "Gum Balls," Audrey Stamp, captain; "Lucky Strikers," Phyllis Plowman, captain; and "Southsiders," Margaret Coughlin, captain. Respectively listed, the top three teams are "Bowler-ettes," "Lucky Strikers," and "Southsiders."

Alma Mater

Oh, Alma Mater, fair and bright
Oh, dear South-side, Thy lov-ing ways

Thy And hon-or we ac-claim;
charms will ev-er be

We ral-ly round the Green and white
Those mem-o-ries of gold-en days,

To land thy no-ble name.
Those friends and hearts so free.

In Thee we stu-dents shall re-new
To Thee we pledge Thy hon-or due

Our faith of days gone by,
And part-ing, sound thy cheer's;

A- cross the years, we'll live a-new
Our thoughts of you, so staunch, so true,

Thy spir-it South-side High.
will live through all the years.

A- cross the years we'll live a-new
Our thoughts of you, so staunch, so true,

Thy spir-it South-side High.
will live through all the years.

Song of 1950

There comes a time when we must leave you,
A time when we must say good by.
So to the school we hold so dear-ly
We'll sing our praise of you on high.
The many happy years to gath-er
With all our laugh-ter, tears, and sighs,
We'll sure-ly think of you for ev-er,
Our Al-ma Ma-ter, dear old South-side High.

The musical score is handwritten on ten staves. It begins with a treble clef, a key signature of two flats (B-flat and E-flat), and a 4/4 time signature. The melody is simple and sentimental, with lyrics written below the notes. The lyrics are: 'There comes a time when we must leave you, A time when we must say good by. So to the school we hold so dear-ly We'll sing our praise of you on high. The many happy years to gath-er With all our laugh-ter, tears, and sighs, We'll sure-ly think of you for ev-er, Our Al-ma Ma-ter, dear old South-side High.' The score ends with a double bar line.
